**12 September 2019**

### **PETARDS GROUP PLC ("Petards" or the "Group") Product Launch**

Petards, the AIM quoted developer of advanced security and surveillance systems, has unveiled a new product at Defence and Security Equipment International (DSEI). EyeCraft360 is the world's first military grade 360 spherical video system. It allows personnel in armoured vehicles of all kinds to see around, above and below them without leaving the safety of the vehicle. EyeCraft360 has been designed for the defence export market. Full details can be found at [www.eyecraft360.com](http://www.eyecraft360.com).

Commenting, Raschid Abdullah, Petards Chairman said: *"We are delighted to see the early fruits of our investment in this innovative solution for local situational awareness. It combines the best of our defence heritage and video know-how. The EyeCraft360 has been well received at the DSEI with many overseas military delegations and major defence companies taking the opportunity to experience the product.*

*We are now focussed on taking eyeCraft360 to new markets around the world".*
